### Safer spaces policy – Liverpool Anarchist Book Fair aims to be a welcoming, inclusive and safe space.

Abusive, violent, threatening or harassing behaviour will not be tolerated, and anyone acting in these ways will be asked to stop & if necessary will be asked to leave.

Oppressive language, literature or attitudes that insult, express prejudices or reinforce preconceptions about a group of people that are marginalised, disadvantaged or oppressed by mainstream society are not welcome. This includes, but is not limited to, racism, sexism, homophobia, transphobia, ableism and classism. Our event is a space for liberatory and transformative ideas and action – we refuse to normalise prejudice, reinforce oppression or recreate hierarchies.

In workshop discussions and other conversations, remember that other people will have experiences that exist outside of your own. Don't make assumptions (based on, for example, race, pronouns, class, sexual orientation etc.) Listen and be considerate of others by allowing everyone the chance to speak, if they wish. Be conscious of the language and terminology that you're using. Be aware that everyone is learning, and we are all here to support one another and strive for a better world.

If you need help or support you can go to the volunteers at the Welcome desk.
